

Be a part of Edgewood's History and 'Put Your Mark on Discovery Park'

"Put Your Mark on Discovery Park" is a fundraising event to construct a playground on Section 16 just north of Edgewood Elementary School and just south of the new soccer athletic field.

Buy a Personalized, Engraved Brick to be placed on the path to **Discovery Park**

With enough bricks sold, the playground would have features for 2-12 year olds plus several independent play components keeping kids in motion.

The athletic field will be completed with green grass this coming Summer of 2010. Let's sell enough bricks to have **Discovery Park** done at the same time.

Let's all chip in and create a destination of fun, adventure, recreation and **Discovery**.

Please download the Poster and Donation Form from the town web site at; www.edgewood-nm.gov and post them where you work, recreate and socialize.

4" X 8" bricks with two engraved lines, 16 letters each line are \$100
8" X 8" bricks with five engraved lines, 16 letters each line are \$200
